

Proudly Serving the Water/Wastewater Market for 20 Years

Aeration Industries International, Inc.

Subsurface bridge mounted and floating Aerators for Aeration/Mixing Basins, Digesters and Lagoons; BNR, SBR and DAF systems

**Other Markets served: Industrial/Oil & Gas*

Analytical Technology, Inc.

Continuous Water Quality Analyzers and Gas Detection Systems

Danfoss Drives

Low Voltage Variable Speed Drives, Harmonic Filters, and Soft Start Motor Starters

MixTec North America

Heavy Duty Mixers and impellers including custom designs

Moore Industries

Signal Isolators, Signal Converters, Power Supplies, Indicators, and Alarm Trip Units

OR-TEC Incorporated

Specialty design and manufacturer of municipal wastewater screening systems (rotary brush, screw screen, compacting screen, micro bar screen, grit classifier) and sludge dewatering systems - single, dual, triple belt press systems, polymer feed systems

RACO

Automatic Remote Dialing Alarm Systems, Wireless Web-based Alarm Monitoring and Notification Systems

**Other Markets served: Industrial/Oil & Gas*

Real Tech, Inc.

UV Water Quality Monitoring, Portable and Spectrum Series Analyzers,

Siemens Industry, Inc.

Continuous Level, Pressure, Flow Measurement and Motion Control Instruments/Systems for Process Control

Southwest Fluid Products, Inc.

Southwest Fluid Products, Inc.

Packaged Wastewater Treatment Plants, Field Erected Water/Wastewater Plants, Steel Internals and Equipment for Concrete Plants

Technolog

Cost effective data logging solutions for level, pressure, flow, and other processes

"Advanced products and solutions for a better environment"
