

"Advanced products and solutions for a better environment"

Analytical Technology, Inc. (a Badger Meter Company)

Continuous Water Quality Analyzers - Chlorine, TSS, Hazardous Gas Detection Systems for Toxics and Combustible Gases

CLA-VAL

Diaphragm actuated, pilot operated Control Valves - Including Float Valves, Altitude Valves, Pressure Reducing, Pressure Sustaining, Solenoid Control and Electronic Control Valves

Danfoss

Low Voltage Variable Speed Drives, Harmonic Filters, and Soft Start Motor Starters

Newterra Corp.

Fixed and Floating Sub-surface Aerators and Process Mixers for SBRS, BNR, Oxidation Ditches and Digesters-Aspirators for Lagoons and EQ basins- Complete Process Design and Rental

NUVODA CORP., US

Mobile Organic Biofilm for increased treatment capacity, improved settling, increased nutrient removal and improved process stability through optimization

OR-TEC, INC.

Headworks solutions including Septage receiving stations, Barscreens, Rotary Screw/Drum Screens, Washer Compactors, Grit Removal systems, Belt and Rocker Sludge Press Systems

RACO Manufacturing

Automatic Remote Dialing Alarm Systems, Wireless Web-based Alarm Monitoring and Notification Systems

SIEMENS PROCESS INSTRUMENTATION

Capacitance, Ultrasonic and Radar Level Sensors, Transmitters and Controllers, Pressure, and Differential Pressure Transmitters, Line and Battery Powered Electromagnetic Flowmeters

Southwest Fluid
Products, Inc.

Southwest Fluid Products, Inc.

Packaged Wastewater Treatment Plants, Field Erected Water/Wastewater Plants, Steel Internals and Equipment for Concrete Plants
